Dive Back In!

"Nothing gave the youngest princess such pleasure as to hear about the world of human beings up above them. Her old grandmother had to tell her all she knew about ships and cities, and of people and animals."

You're invited to join the Douglas County Libraries Foundation as we explore the depths of Hans Christian Andersen's imagination! We'll dive into two unforgettable events, and you'll enjoy a delightful adventure (or two!) under the sea.

Your generous sponsorship ensures that all our participants have a fun and exciting evening, but it also does so much more! Your dollars help fund important library programs that reach youth, adults and families in Douglas County and across Colorado, and help ensure the long-term success of our outstanding libraries, which are critical to our community's education, workforce development and economic development.

In August, bring your little ones to DCL's first-ever Family Fête in their favorite Little Mermaid-inspired costumes (you can dress up, too)! Meet mermaids and enjoy fun food and drinks, being sure to leave time for games, activities, crafts and more. We'll have a special mermaid Storytime and a fantastic silent auction the whole family will enjoy. (Expected attendance: 300)

In September, come to the gala in your finest—or a favorite themed outfit! Enjoy a signature cocktail, a delicious catered dinner and a special dessert. Talk with special guests, revel in remarkable entertainment, and experience the fun of a silent auction, where you just might find the treasure of your dreams. (Expected attendance: 250)

At each event, you'll leave with wonderful memories of a favorite childhood tale, and know that because of your support, your libraries will continue to be great places for young and old—where all can enjoy reading, discovery and connection for generations to come.

Read ahead for a list of the amazing benefits of adding your name to our list of prestigious sponsors!
